# SAFARI PARK®

Explore habitats where rare and exotic animals roam. See them by tram, cart, truck, or zip line—choose your kind of adventure. And there's plenty to see and do on foot, too! Get up close to lions, lemurs, and more! Watch the world's fastest cat zoom by at Cheetah Run, enjoy an incredible free-flight bird show, and hear stories about the animals from their keepers and trainers. See conservation in action and discover our efforts to keep rhinos, tigers, California condors, and other species from becoming extinct. Join us for an adventure like no other!

## RAPTOR FLIGHT SAFARI

Interact with a Harris's hawk and a crowned crane, and experience the wonder of our trained birds of prey through up-close encounters! This 60-minute Safari experience includes an opportunity to "fly and catch" a hawk and have an up-close encounter with another remarkable bird.
